WELL INVESTIGATION PROGRAM - MONADNOCK COMPANY, 18301 ARENTH AVENUE, CITY OF INDUSTRY (FILE NO. 105.0181)

As requested in TRW's letter dated June 13, 1994, submitted by Debbie Takashima, the due date for the required assessment and groundwater monitoring report is extended to July 29, 1994. The original due date was June 17, 1994. The letter noted that the extension would allow submission of a more thorough and comprehensive report concerning groundwater conditions occurring beneath and downgradient of the Monadnock property. Three copies of the required report must be received at the Board by July 29, 1994.

Please contact Rick Kaumeyer at (213) 266-7529 if you have any questions and address all correspondence to his attention.
